CONTRACTED HEALTHCARE PLANS October 2019

Ambry Genetics works with insurance health plans and institutions to simplify the genetic testing ordering process. Our goal is to provide healthcare providers cost-effective, clinically-relevant testing solutions for their patients. Ambry is contracted with several health plans in your region (listed below), as well as many others elsewhere. We can work with you if you do not see your patient's health plan listed, or have any concerns regarding coverage.
