Patient Signature (I agree to terms below):		Date:	
Required for Processing Medical Professional Signature (I agree to terms below):		Date:	
TERMS AND CONDITIONS			
<b>Patient Acknowledgement:</b> I acknowledge that the information provided by me is true and correct. For direct insurance billing: I authorize my insurance benefits to be paid directly to Ambyr Genetics Corporation (Ambyr), authorize Ambyr to release medical information concerning my testing to my insurer, to be my designated representative for purposes of appealing any denial of benefits as needed and to request additional medical records for this purpose. I understand that I am financially responsible for any amounts not covered by my insurer and responsible for sending Ambyr money received from my health insurance company.			
<b>Ambyr's E.P.I.C. Program,</b> please provide the total annual gross household income: \$ _____ and the number of family members in the household supported by the listed income: _____. I authorize Ambyr Genetics Corporation to verify the above information for the sole purpose of assessing financial need, including the right to seek supporting documentation.			
<b>Medical Professional:</b> Confirmation of Informed Consent, Pre-test Genetic Counseling, and Medical Necessity for Genetic Testing The undersigned person (or representative thereof) ensures he/she is a licensed medical professional authorized to order genetic testing and confirms that the patient has given appropriate consent. I confirm that testing is medically necessary and that test results may impact medical management for the patient. I agree to allow Ambyr Genetics to facilitate the provision of pre-test genetic counseling services by a third party service, Informed DNA (unless otherwise noted), as required by the patient's insurance provider (unless this box is checked <input type="checkbox"/> ). Furthermore, all information on this TRF is true to the best of my knowledge. My signature applies to the attached letter of medical necessity.			
*Blood or saliva from patients with active/recent hematological disease will undergo additional review and may not be accepted in some cases. For these, cultured fibroblasts or fresh/fresh frozen normal tissue are preferred. See ambrygen.com/specimen-requirements for details.			

## LLUMC Test Requisition for Tissue Culturing (Oncology) - Page 2 of 2

### INSTRUCTIONS FOR SUBMITTING SAMPLE TO LLUMC/CLINICAL LAB/GENETICS:

#### KIT REQUEST

1. 7-10 days prior to patient's procedure, please fax completed form to LLUMC/Clinical Lab/Genetics at (909) 558-4832 or call LLUMC/Clinical Lab/Genetics at (909) 558-4000 option 2, ext. 46161.
2. Upon receipt of the completed form, LLUMC/Clinical Lab/Genetics will ship a Tissue Culture Transport/Shipment Kit to the requested address, which should arrive within 3-5 business days.

*Please contact LLUMC/Clinical Lab/Genetics at the above number for urgent kit requests*

#### PREPARING SAMPLE

Upon receiving the kit, place tube with media in the refrigerator until ready for use.

**Specimen preparation:** DO NOT FREEZE. Do not place in formalin. Transport a 4mm sample (e.g. skin punch biopsy) in the sterile, screw-top blue cap tube filled with tissue-transport medium.

**Storage/transport temperature:** room temperature.

**Stability:** 48 hrs ambient/refrigerated. Ship sample immediately upon collection. If specimen is ambient for more than 48 hours, specimen may be compromised. The laboratory will make every attempt to culture the specimen.

#### SHIPPING

1. Include completed Test Requisition form with the Tissue Culture Transport/Shipment Kit and provide FedEx tracking number.
2. Fax (949-900-5501) or email ([CulturedSamples@ambrygen.com](mailto:CulturedSamples@ambrygen.com)) completed Test Requisition form to Ambry Genetics
3. Ship sample to LLUMC/Clinical Lab/Genetics at 11223 Campus St. South Dock A Loma Linda, CA 92354

*Please note that fibroblast cultures typically take 2-3 weeks to complete. For questions, please contact LLUMC/Clinical Lab/Genetics at (909) 558-4000 option 2, ext. 46161.*
