* Available at select centers. Please contact Ambry for further information				
Genetic Counseling: Ambry and Akcea have partnered with PWNHealth to offer no cost, pre- and/or post-test genetic counseling for your patients. Genetic counseling is not required for testing. By checking the boxes below, I agree to allow Ambry to facilitate the provision of pre-test and/or post-test genetic counseling services by PWNHealth.				
<input type="checkbox"/> Yes. I request a pre-test genetic counseling session for my patient. <input type="checkbox"/> Yes. I request a post-test genetic counseling session for my patient.				
CONFIRMATION OF INFORMED CONSENT AND MEDICAL NECESSITY FOR GENETIC TESTING				
The undersigned person (or representative thereof) ensures he/she is a licensed medical professional authorized to order genetic testing and confirms that the patient has given appropriate consent. I confirm testing is medically necessary and test results may impact medical management for the patient. Furthermore, all information on this ordering form is true to the best of my knowledge. I understand that organization and clinician contact information provided may be shared with third parties including Akcea Therapeutics and Backpack Health and may contact you in connection with the Genetic Pathway Program. My patient would like to receive more information from Backpack Health and consents to share patient's name and email with this third party (unless this box is checked <input type="checkbox"/>).
